THOR FOSSIL GRAY 9X36 MATTE PORCELAIN TILE

Our highly realistic, matte-finished Thor Fossil Gray 9x36 Matte Porcelain Tile mimics real marble in a dark slate color with light gray and ochre veining. You get the grand look of natural stone—with the performance and convenience of porcelain. This tile has all the advantages of a larger format: fuller coverage, fewer grout lines, easy installation and maintenance, and the ability to make a room feel more spacious.

THOR

Inspired by elegant, earthy Fior di Bosco Marble, the porcelain-crafted Thor collection channels the same look through a hydro-repellent ink technique that mimics the subtle texture of real marble. The neutral, complementary colors and mix of shapes make it a straightforward solution to create harmony throughout a project, whether a single room or several.
