

TATAWIN is a family of light fixtures designed by Adolfo Abejón. The shape of the shade is reminiscent of the upper part of the characteristic houses of Tataouine, a city in southeast Tunisia. This compact and elegant wall light with an orientable arm has an aluminium body and white opal glass shade.

General characteristics

Fixation	Wall
voltage	120V
Hertz	60Hz
Switch type	On/Off
Max. Power	15W

Material

Body/Structure	Steel
Screen	Glass

Finish

Body/Structure	Satin Black
Screen	Opal
Location	Dry locations only
US Certification	Fijas cETLus

Lighting characteristics

Light source included	No
Light source	E26 LED
