Product Catalog

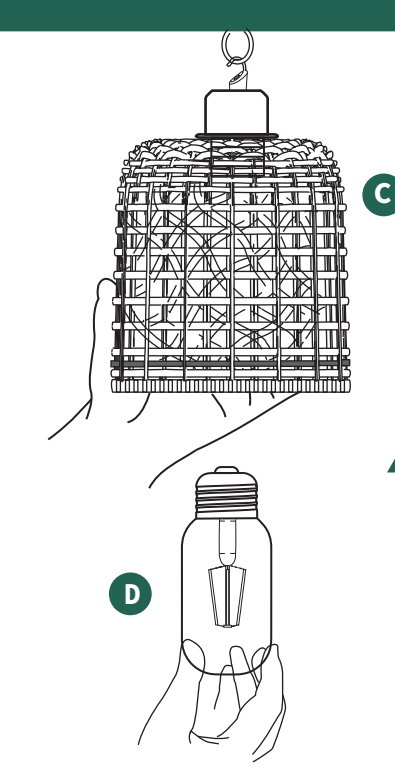

Installation Steps 1 Connect all the lamp poles (5 poles) and the base

2 Install the lampshades and secure it with the socket ring

3 Install the light bulbs

Note:

- 1) Please take care not to pinch or damage the wires.
- 2) Please check that each pole is tightened after installation.

Warning:

- If you smell a bad odor or anything unusual, please turn off the unit immediately.
- Please do not remove the power cable with wet hands as it may cause an electric shock.
- Do not put this unit near extreme heat sources, moisture, or corrosive substances.
- Please store the lamp in a dry and shady place if not being used for a long period of time.
- Do not overload electrical circuits as it may cause electric shock or fire.
