Notes

1. This package does not include the E26 bulbs, and you need to buy bulbs.
2. Please wear electric insulation gloves(not included) and avoid scratching the surface of the lamp and the electric wire when installing. Please make sure that the power supply has been cut off before installation, and conduct a power test before installation. Please install it by a licensed electrician if necessary.
3. Please check the product size before ordering to make sure it fits your room.
4. Please read the English manual completely before installing. And pay particular attention to the safety instructions included.
5. Please allow the slight color difference caused by the shooting light and 1-3cm error due to manual measurement, and make sure you do not mind before you order.
