

Folding Teak Shower Seat

SPECIFICATIONS

The Ella Folding Teak Shower Seat is an elegantly designed, space-saving seating solution that enhances both functionality and aesthetics in the shower space. Crafted from high-quality solid teak wood and reinforced with durable stainless-steel brackets, this seat provides a safe, stylish, and comfortable showering experience. Designed for easy wall-mounting, it folds up effortlessly when not in use, making it ideal for both residential and commercial applications.

Material: solid teak wood seat with stainless steel brackets

Finish: natural teak wood with brushed stainless steel

Seat dimensions: 20" w x 13" d

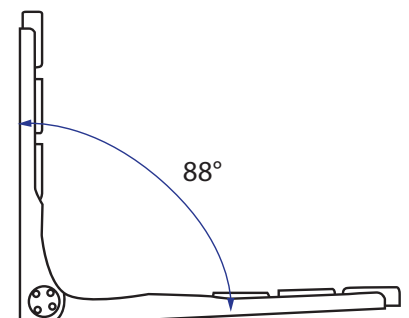

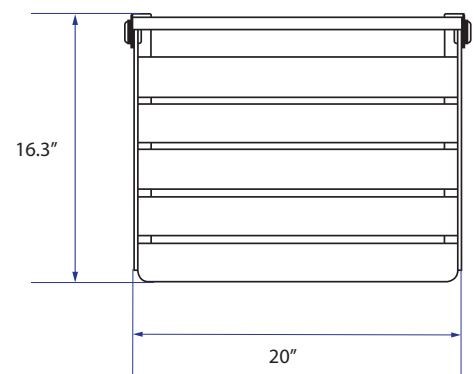

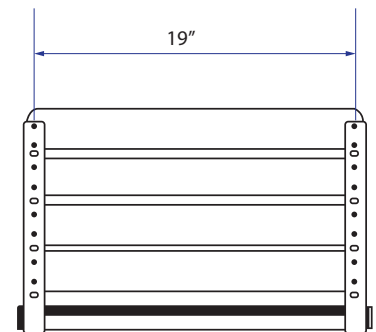

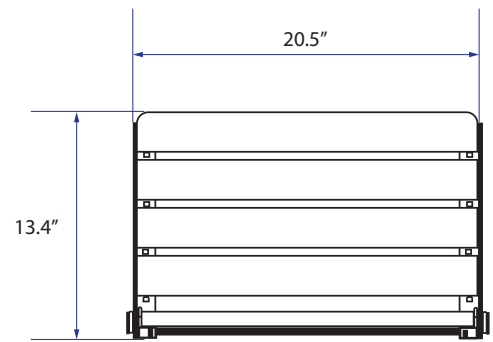

Folded thickness: approximately 3.25" when folded against the wall

Mounting hardware: includes stainless steel screws and mounting brackets

Installation type: wall-mounted, requires secure stud mounting

Usage: suitable for residential, commercial, and healthcare applications

Care instructions: wipe clean with a damp cloth, and apply teak oil periodically to maintain natural wood finish
