Application

It is suitable for bedrooms, bathrooms, laundry rooms, hotels, spas, saunas, swimming pool locker rooms, and more. It saves a lot of storage space in small bathrooms and is ideal for hanging and organizing your face towels, bath towels, and clothes.

Notes

1. Please note that this product does not include items such as towels and washcloths.
2. The surface of the electric towel rack should be cleaned regularly, please do not scratch or damage it with sharp objects.
3. When you do not use the electric towel rack, please unplug it in time, so as not to cause safety hazards due to prolonged power supply.
4. Please allow the slight color difference caused by the shooting light and 1-3cm error due to manual measurement, and make sure you do not mind before you order.
