**!** Once installed, the product cannot be detached. Strictly follow each step in the installation manual.

1. Gather and organize all required parts prior to assembly.
2. Assemble on a flat, clean and soft surface.
3. Align the holes before assembly and snap into place with a slight tap.
4. Please prepare rubber mallet in advance for convenient installation.
5. The product's structure prevents it from being conveniently assembled in low temperatures, so do not intentionally install at low temperatures.
6. During installation, please refer to the accessories guides to ensure that they are installed in the correct directions.
7. **Two or more people are required for assembly.**
