

NOTICE

- * Please make sure that you have all parts indicated and they are in good condition before you begin assembly of this item. Refer to part list and hardware list below for guidance.
- * This item should be assembled on a soft surface to prevent scratching the finish during assembly.
- * This item may require periodic tightening.
- * If you are having difficulty, our friendly Customer Care team is always here to help. Please email customersupport@safavieh.com

PREPARATION

- * Before beginning assembly of product, make sure all parts are present. Compare parts with part contents list and hardware contents list.
- * If any part is missing or damaged, do not attempt to assemble the product.
- * Estimated Assembly Time: 10 minutes.
- * Tools Required for Assembly (included): Allen Key

CARE AND MAINTENANCE

- * Never use sharp items on the surface of the product. For example knives and utensils may damage the product.
- * Never leave water to settle on the surface as this will cause damage. Any liquid spilled onto the item should be cleaned up immediately using an absorbent cloth.
- * Don't use harsh cleaners - Never use abrasive scrubbers or rough-woven cloths that could scratch wood.
- * Dust regularly with a clean, soft, lint free cloth.
