Product Features

- Minimalist Style:** This 52-inch indoor ceiling fan has 5 powerful blades to make your home more comfortable; It offers a sleek, minimalistic design that blends into any modern environment. With shapely, carved wood blades, this ceiling fan offers an ideal blend of style and function.
- Solid Wood Blades:** This stylish ceiling fan's blades have a swept diameter of 52 inches. Made from solid wood to help ensure efficient, quiet air delivery. Wooden blades are combined with a simple, high-performance DC motor for low noise and energy-efficient cooling.
- 6-Speed Ceiling Fan:** Powerful ceiling fan operates in 6 forward and reverse speeds (easily adjusted with the included handheld remote). Its quiet, reversible motor allows it to transform your room into an oasis in the summer and keep you warm in the winter.
- LED Light Kit and DC Motor:** Includes integrated LED light source (3000K/4000K/6000K). You can use the fan with or without a light. This fan features an energy-efficient DC motor for cost savings and comes with a convenient wall-mount bracket for remote storage. Leverage the latest advances in DC motor technology to deliver stunning performance and superior energy efficiency.
- Perfect for Any Space:** This ceiling fan with light is suitable for medium to large indoor rooms and outdoor spaces like outdoor patios or farmhouses. The effective area is about 150-320 sq.ft.
