PRODUCT DESCRIPTION

The 360° smooth-swivel base allows you to easily face different conversation partners without standing up or moving the chair.

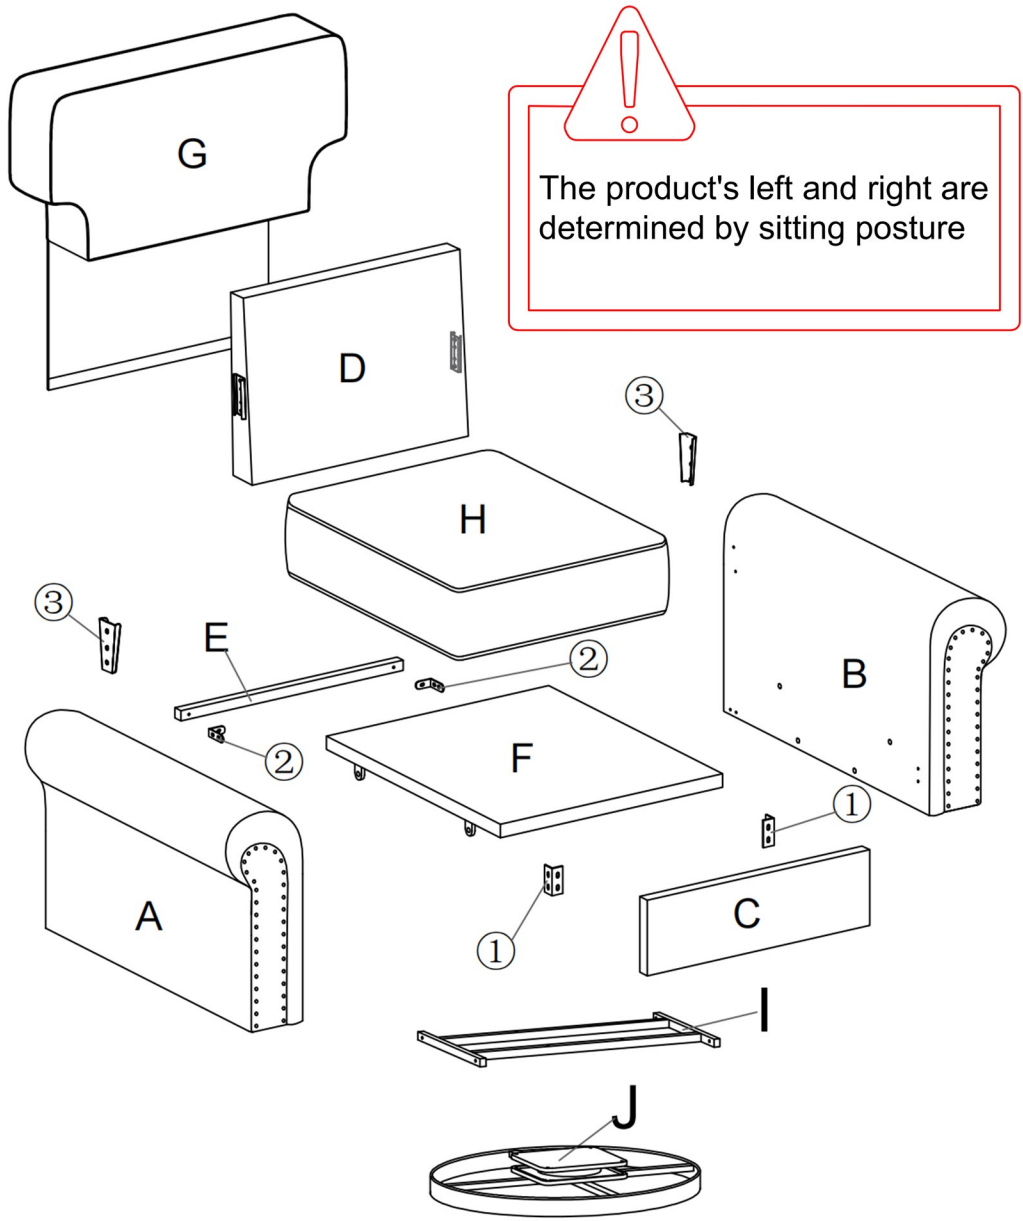

Classic armchair with rolled arms. Features a simple but classic silhouette. The signature wide rolled arms combined with plump seat and back cushions exude rich vintage charm and a solid sense of craftsmanship.

Cotton-linen blend fabric. Offers a natural, breathable, and skin-friendly touch, combining the softness of cotton with the texture of linen.

The features a sturdy solid wood frame that ensures long-term stability and load-bearing capacity. The large metal turntable with a wood-grain finish at the bottom further enhances overall stability and adds a refined design detail.

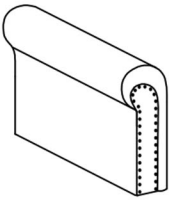

Multi-functional relaxation core. Serves as both a comfortable solitary reading chair and a tasteful accent chair in the living room, either as a statement master chair or flexible as the sofa. Its substantial presence and unique design inject steady and style into any corner.
