Notes

1. Please check the product size carefully before purchasing.
2. Please do not expose the product to water.
3. In order to protect the motor core and travel time accurately, please do not use high-power batteries. Please use AA carbon batteries. Please note that the batteries are not included.
4. Please allow the slight color difference caused by the shooting light and the 1-3 cm error due to manual measurement, and make sure you do not mind before ordering.
