PLEASE READ BEFORE ASSEMBLY

Read Before Beginning Assembly

- 1. Clearing a area:** Please assemble in a spacious area near the product's final location, preferably on a carpet or protected surface to safeguard both your floor and the product.
- 2. Recommend team assembling:** It is recommended that at least 2 people assemble this product. Having an extra hand can make the process faster and easier.
- 3. Check for all parts:** Most parts are labeled or stamped on the raw edge. Ensure all parts are included before starting.
- 4. Read each step carefully:** Follow the assembly steps in the correct order. Skipping steps or changing the sequence can lead to difficulties.
- 5. Tighten after complete:** Do not fully tighten any bolts before the entire assembly is completed. Final tightening all together ensures greater stability.
- 6. You can contact us:** If you encounter any questions or difficulties during installation, please contact us through marketplace.

Caution

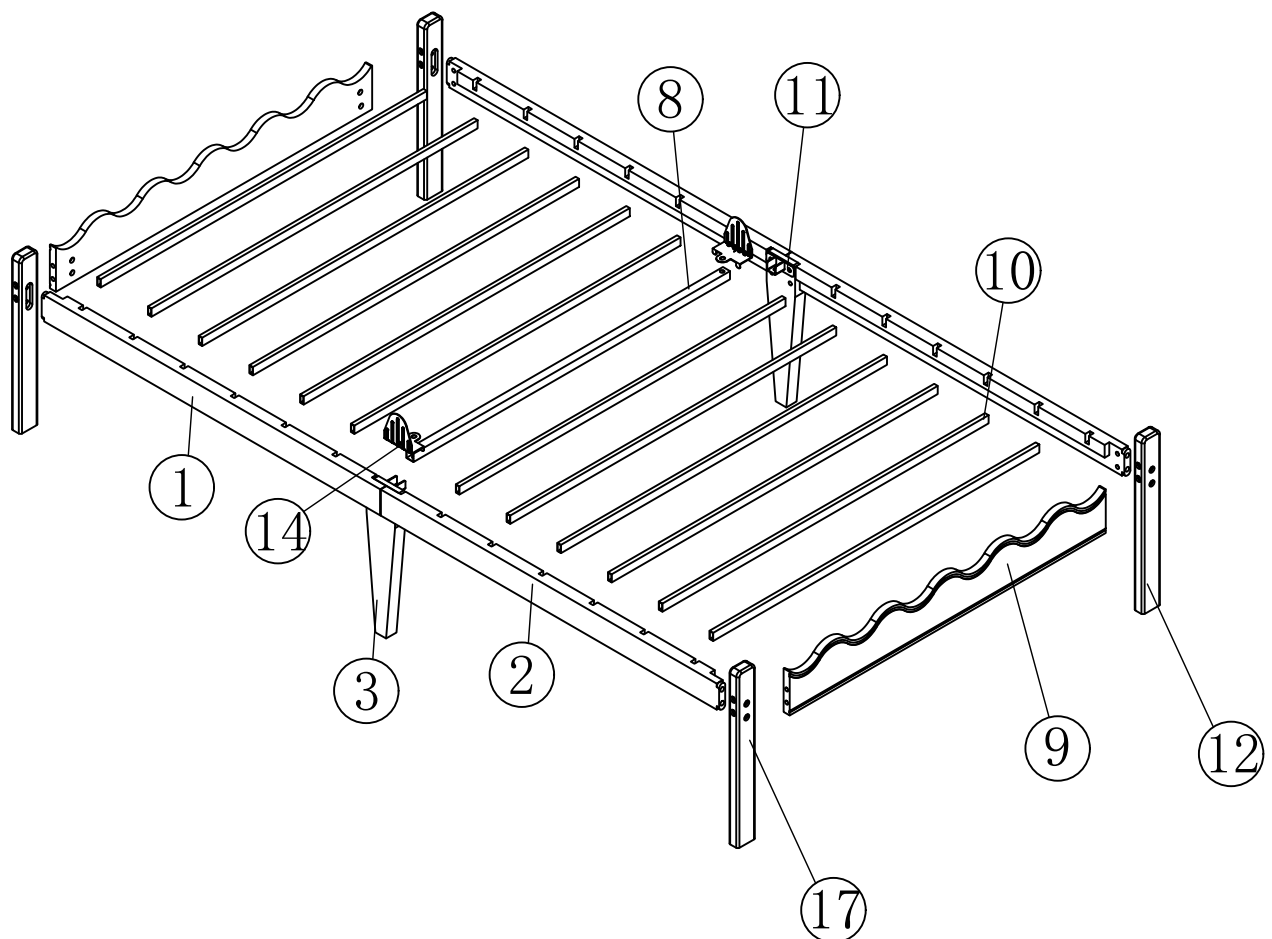

- 1. Choking hazard:** This product contains small parts. Keep them away from children under 3 years old. Children under 4 years old must be supervised by adults when near the bed.
- 2. Use power tools with caution:** Overloading or improper operation of power tools can strip or damage parts and void the warranty.

Warranty Information

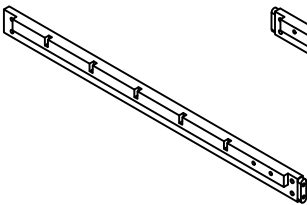

1. This product is warranted against defects in materials and manufacture for 3 years from the purchase date (proof of purchase required).
2. Warranty covers defective parts only. Assembly labor not included.
3. Not valid for misuse, improper assembly, alterations, or unauthorized repairs. No liability for consequential damages where permitted by law.

Note: Ensure all connections are properly aligned before final tightening. This step is crucial for the bed's stability.

Step 5

Place the Bed Slats

- Place all bed slats ⑩ across the side rails.

Note: Before completing assembly, double-check that all screws and components are fully tightened.

IMPORTANT INFORMATION

Warning

- 1. Age Restriction:** The bed is not designed for children under 4 years old.
- 2. For your safety:** Jumping, rough play, or other vigorous activities on the bed are not recommended as they may cause injury or damage to the bed frame.
- 3. Weight Limit:** The maximum combined weight supported by the bed must not exceed 1000 lbs (approx. 454 kg). This includes the bed frame, mattress(es), bedding, and occupants.
- 4. Do not use power tools during assembly, as they may strip bolt threads or damage parts, which will void the warranty.**

Cleaning&Care

- 1. Cleaning method:** Use a dry or slightly damp soft cloth for cleaning. Avoid abrasive cleaners, which can damage the finish.
- 2. Hardware maintenance:** Over time, hardware can loosen. Regularly check and tighten all connections to maintain the bed's stability and prevent damage.
