The Lines Between 1

D2198S43944-3542

The Lines Between I is a series of six works on paper that recall the early work of American Abstract painter Adolph Gottlieb. This series features biomorphic forms, abstract symbols, and dream-like landscapes that reflect an inner psyche.

This work offers a sculptural experience through its use of vertical marks that imply towering structures while the use of sun-bleached hues adds an atmospheric dimension. A washed background gives way to linear movement in The Lines Between 1. Shown on textured paper, neutral colors create a pleasing blend of abstract forms in this original piece for ART by TA.
