

Burton II Mantel Clock 635107

MANTEL CLOCK: This Burton II Mantel Clock features a Windsor Cherry finish on select hardwoods and veneers to complement your home decor. It has a decorative top molding and triangular burl overlays.

DURABLE: A sturdy wooden frame will relieve stress in a busy household. Place it above your fireplace in the living room for a classic decorative piece with black traditional Roman numerals (IIII instead of IV), black serpentine hands, convex glass crystal, and a polished brass-tone bezel to stand out over an off-white dial.

CHIMES: With the quartz, triple-chime Harmonic movement, choose between the full Westminster chime or Ave Maria chimes with strike on the hour, $\frac{1}{4}$, $\frac{1}{2}$, and $\frac{3}{4}$; Westminster chime and strike on the hour only; or Bim Bam chime on the hour only.

MOVEMENT: Set the automatic nighttime chime shut-off for convenient volume control to have in any room. Requires one C sized battery.
