

Discoverer Tabletop Clock 645346

For the map lover, this Howard Miller world map alarm clock is a must-have. The stunningly detailed design of the clock's face and the careful styling of the piece makes it a truly unique table clock, perfect for any home.

Careful Craftsmanship: As always, Howard Miller offers careful craftsmanship in the design of this world map clock. The revolving world map is accented with deep blue oceans and silver-tone continents, all protected by a convex acrylic crystal. The end result is a memorable piece that is equally as decorative as it is practical.

Unique Design: No design detail was missed with this alarm clock. Polished silver-tone metal columns and a solid base support the beveled arch creating a beautiful and sleek design.

Extra Features: There is no need to fret when placing this world map clock on any surface. A felt bottom protects fine desks and shelves from scratches.

Quartz Movement: Utilizing quartz movement, this alarm clock requires one AA size battery.

Howard Miller: Founded in 1926 and still family-owned in its third generation, Howard Miller is the world's leading clock company and a respected brand name in fine specialty furnishings such as curio cabinets, wine & bar furnishings, custom storage cabinets, and SmartMoves® adjustable height desks.
