IMPORTANT SAFETY INFORMATION

- Please carefully read the following instructions and caution warnings before assembling the product.
- Following this guide will ensure that you install, use and maintain the product properly.
- Please keep this installation and user manual/instructions for future reference in case you need to disassemble the product.
- Never allow children to climb onto the product. Ensure that you have special safety measures when children are around on their own.
- Be sure to check that all parts of the product are intact after you open the package.
- Do not assemble if you notice serious damage such as cracks or bends.
- During installation, please use work gloves for hand safety.
- Please assemble the unit on carpeted floor or the flat cardboard box to avoid scratching the surface or your floor while assembling on the floor.
- To assemble, please use the complimentary installation tools (Phillips screwdriver). Pay more attention to the direction of components at each steps.
- It is recommended that two people work together to assemble the product.

RETURN POLICY

- Please contact us directly within 30 days after receiving.
- Ensure the product is in a good condition with the original box and all original certificates of purchase, manuals, and accessories attached.

Please check that you have all the parts listed below

Note: Don't tighten all screws during installation.

Send email with your question to support@garvee.com.

We will resend within 24 hours.

Step 1

(A) x 2pcs

Ø6x14 mm
HEX SOCKET CAP
SCREW

Step 2

(B) x 4pcs

Ø6x30 mm
HEX SOCKET CAP
SCREW

Step 3

Step 4

Step 5

Step 6

Diagram illustrating the assembly of the bottom panel (Step 21). The main assembly shows a 3D perspective of the metal frame with the bottom panel being attached. Screws labeled 'B' are used to secure the panel. A circular inset shows a close-up of a screw being tightened with an Allen key. A legend in the top right corner identifies the screw as 'Ø6x30 mm HEX SOCKET SCREW'.

Step 8

Diagram 18 illustrates the step of attaching the top panel to the frame. The top panel is shown being lowered into place. Four screws, labeled 'B', are used to secure the panel to the frame's side rails. Dashed lines indicate the alignment and the path of the screws.

Step 9
