# USER INSTRUCTION

## Heated Camping Chair

## How to Heat

**01** USB interface to charger

**02** Long press the button for 2S to turn on/off

**03** Press the button one time to adjust the temperature

**04** The button corresponds to the heating area

## How to Store and Carry

**01** Hold the chair with both legs and press inward

**02** Fasten the Velcro

**03** You can carry it anywhere on your back

# Notice:

**If it is not heated,**
**you can check the following situations**

1. Check whether the power bank is fully charged
2. For outdoor use in winter, the temperature is low, and the hand feels little heat, so you need to sit on it to experience
3. One charger can only correspond to one heating area. If you want to heat the back and bottom at the same time, you need to connect 2 chargers
