BEFORE USING:

- IMPORTANT:** Fully charge before first use. Make sure the light is switched off before charging.
- Plug the charger into the main supply / car 5V supply. LED indicator lights will turn green when light is fully charged.

FUNCTIONS:

- Press the Power button once to turn on HIGH mode.
- Press the Power button repeatedly to cycle through light modes and turn the light OFF.
- Elastic bands can be removed or adjusted to fit your hood or working area.
- The light can attach directly to metal surfaces using the magnets on back.

NOTE:

- Disconnect the light from the USB 5V supply as soon charging is complete to preserve battery life.
- To maintain battery, charge monthly if light is not in use.
- This product is not waterproof and is designed for dry/damp use only.
- Do not drop the lamp as this can damage and shorten the lifespan of the unit.

This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC rules.

- **DO NOT** look directly at the LED lights.
- **DO NOT** remove the LED lights protective covering.

WARRANTY:

This product has a **one-year limited warranty** from the date of purchase. This guarantees against failure due to factory defects, whether caused by materials or workmanship. The warranty is non-transferable and only pertains to the original purchaser. Proof of purchase is required for any repair or replacement, so please keep your proof of purchase receipt. This warranty does not cover normal wear and tear or damage due to misuse. Misuse of this product includes but is not limited to:

- Using outdoors in extreme weather conditions.
- Opening the product's housing.
- Any attempts to update, remodel or fix the unit yourself.
