STEP 1

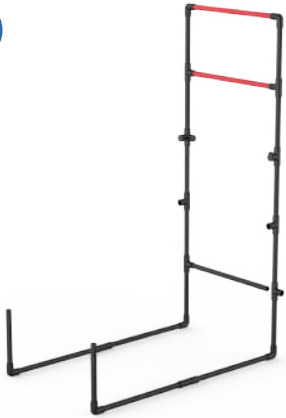

STEP 2

STEP 3

STEP 4

STEP 5

STEP 6

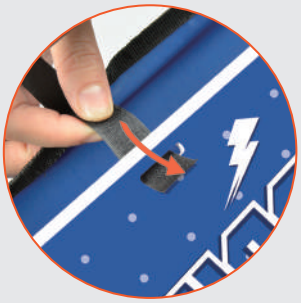

STEP 7

Insert the remaining two long tubes into the holes at both ends of the Oxford fabric respectively.

STEP 8

The Velcro strips on both sides of the basketball hoop top are used to secure the backboard.

Make sure all tubes are securely connected.

Care & Use

Suitable for both indoor and outdoor play.

Always store indoors when not in use.

Do not expose to prolonged moisture or direct weather elements.
