Check the product periodically to make sure everything is secured and tightened.

Always use proper tools for installation.

Do not jump on the product.

PRODUCT DESCRIPTION

Outdoor solid wood patio set, includes various seating, side table and coffee table. Features a square geometric cut design with clean, sharp lines. The overall look is simple, offering a modern architectural feel that elevates the style of patios and decks.

Water-resistance cotton-blend fabric. Offers good water and stain resistance, protecting against common outdoor splashes and dampness. Easy to maintain with a simple wipe.

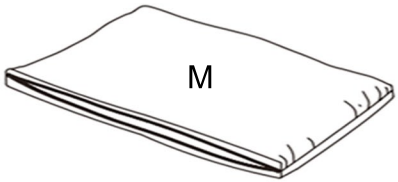

Thickened high-density foam filling. The seat and back cushions are plump and substantial, offering excellent resilience and sinking comfort for prolonged, relaxed seating.

Heavy frame made of natural solid teak wood. High density and natural oils provide inherent rot resistance, insect resistance, and exceptional stability. The robust frame and joinery ensure superior load-bearing capacity and long-term durability.

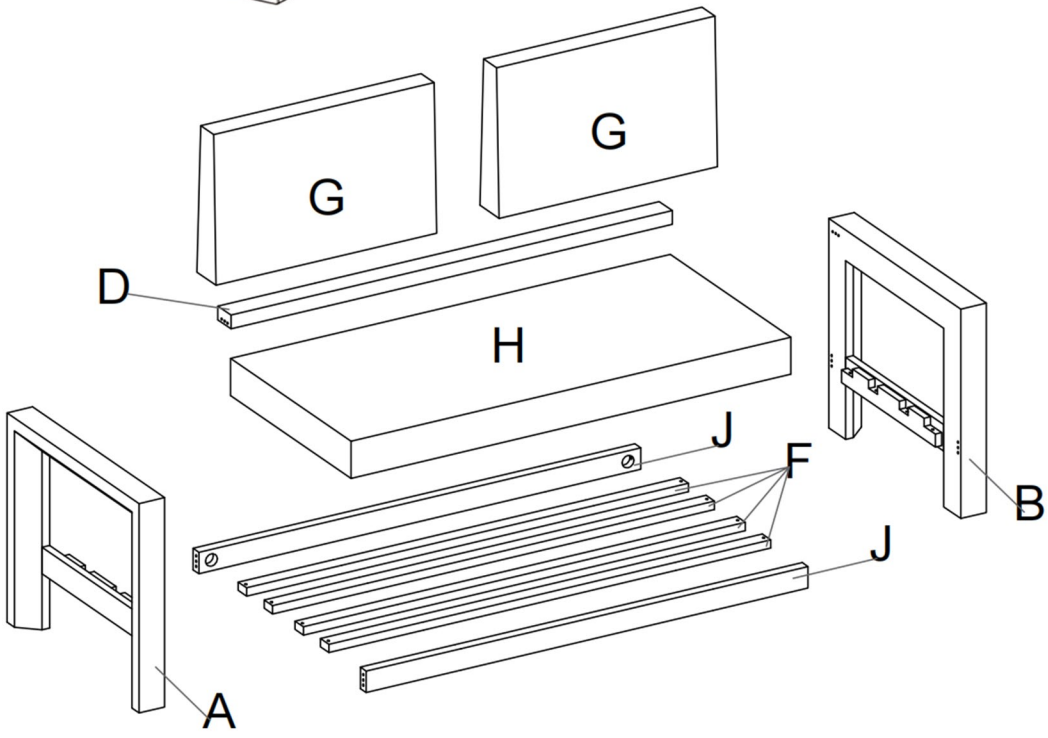

Modular design: single chair/loveseat + coffee table/side table, four modules are able to arrange by your needs or like.

step 1 ---Cut the plastic air compression bags

Cut the plastic air compression bags, and take out the cushion (G). Let it recover to its original shape, the whole recovery process might take 72 hours, you may gently slap on it to speed up the process.

Please exercise caution when opening the packaging to avoid injury or damage to the product.

Use care when opening the bag to avoid injury from sudden expansion. Keep away from face and body while cutting.

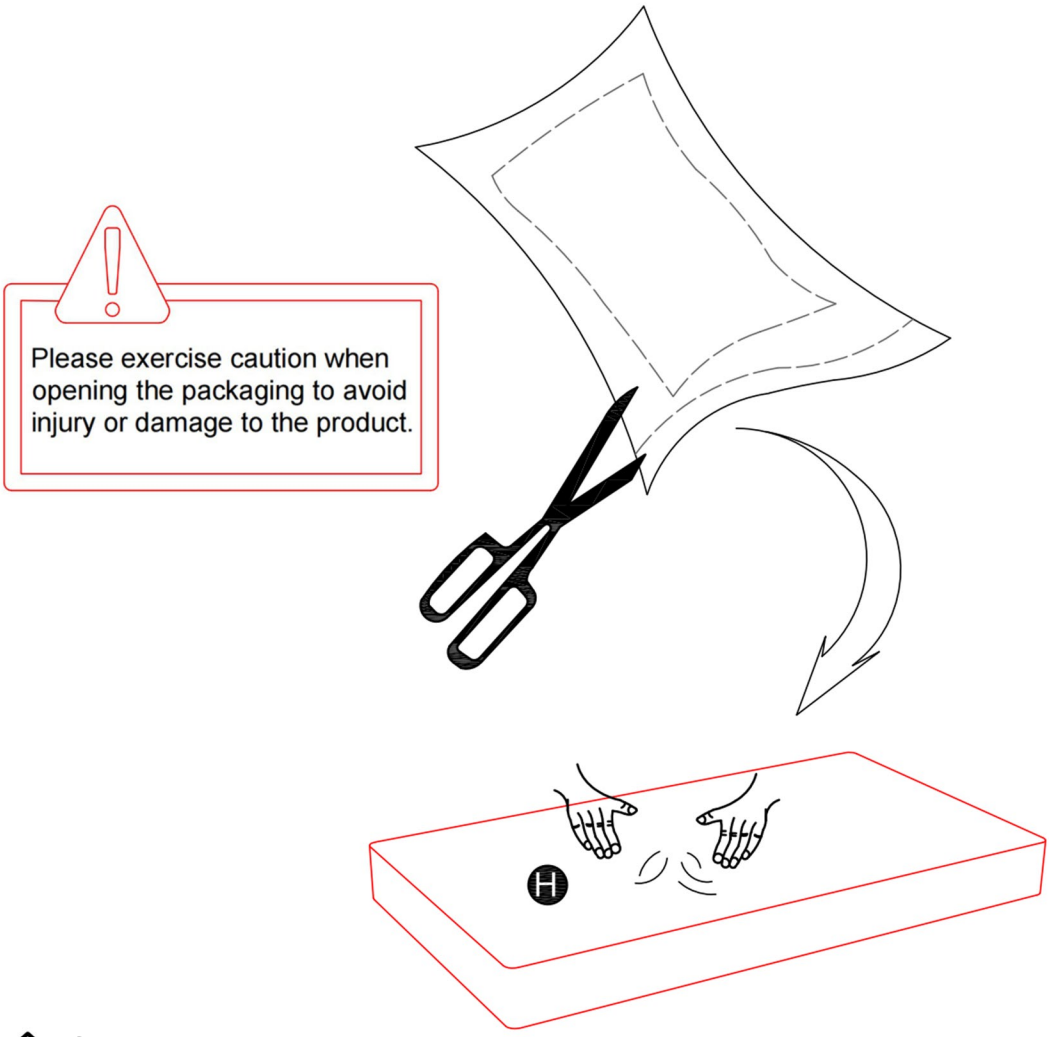

X2

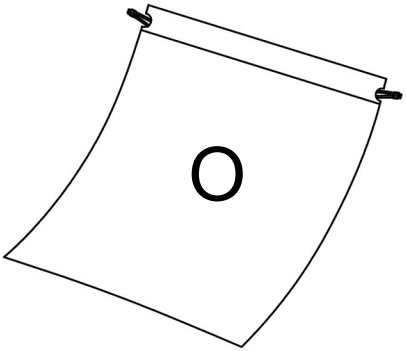

step 2 ---Cut the plastic air compression bags

Cut the plastic air compression bags, and take out cushions (H). Place them on the side for recover to their original shape, the whole process might take up to 48 hours, you may gently slap on them to speed up the process.

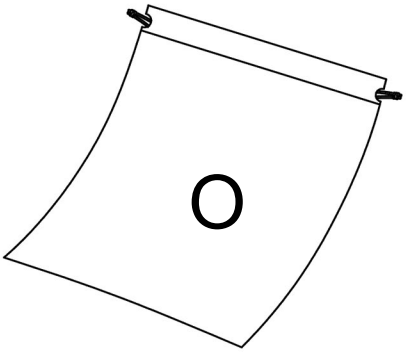

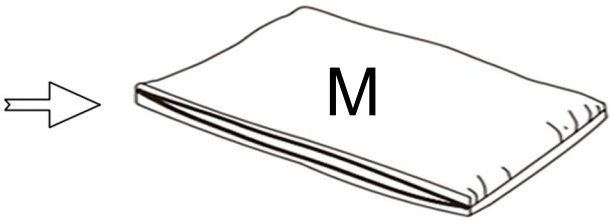

step 3 ---Take out the cushion cover

Open the bag, take out the back cushion cover (N) and seat cushion cover (M).

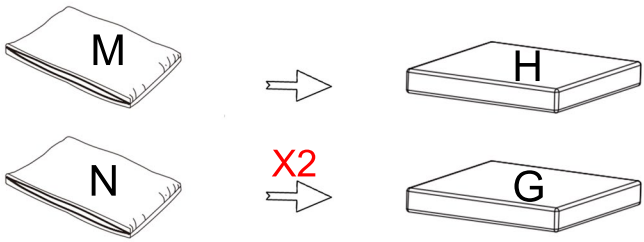

step 4---Put on the cushion cover

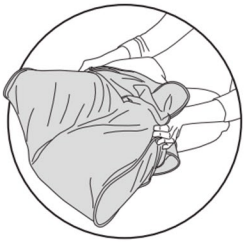

How to Put on the Cushion Cover

1

1.Take the cushion covers and inners out of the carton.

2

2.Fold the inner in half, pushing the sides together,then begin to slide the cover onto it.

3

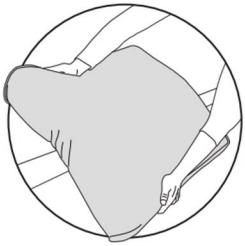

3.Align both far corners, then gently compress insert while fitting cover around it.

4

4.To avoid a stuck zipper, please pull the fabric away from the zipper before moving forward.

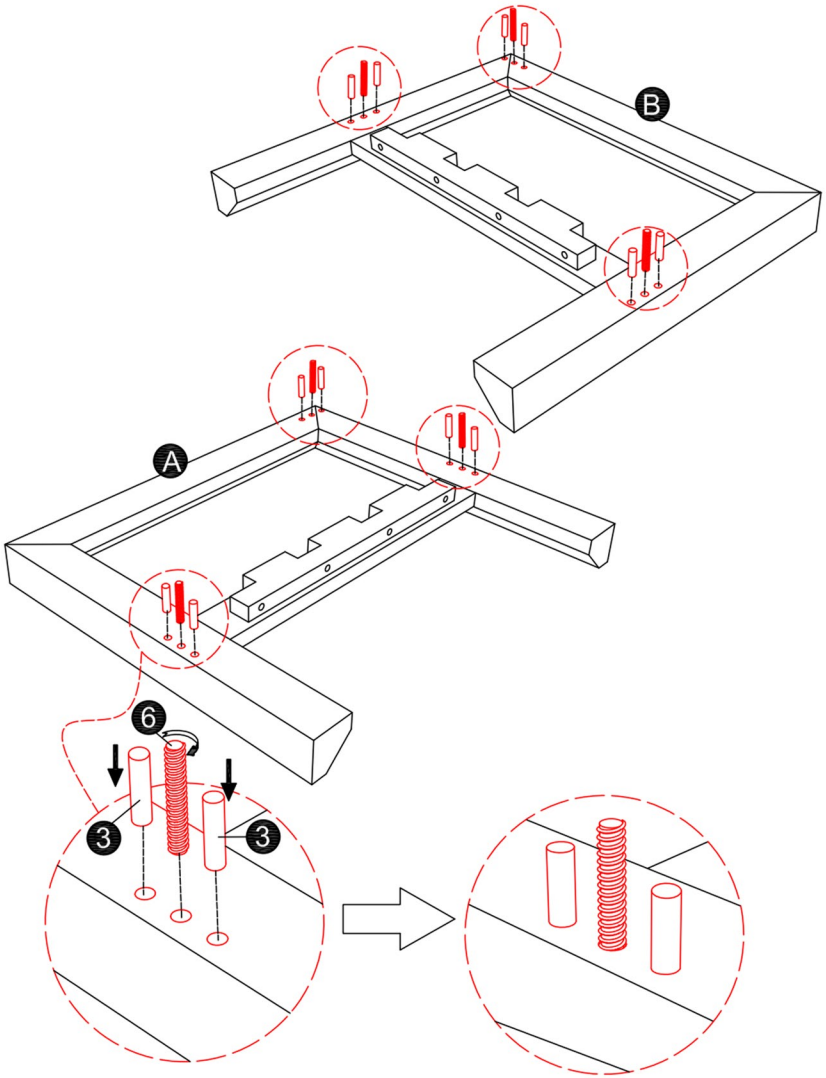

5

5.When all done, please pat the cushion or give it a little shake to make it more flat.

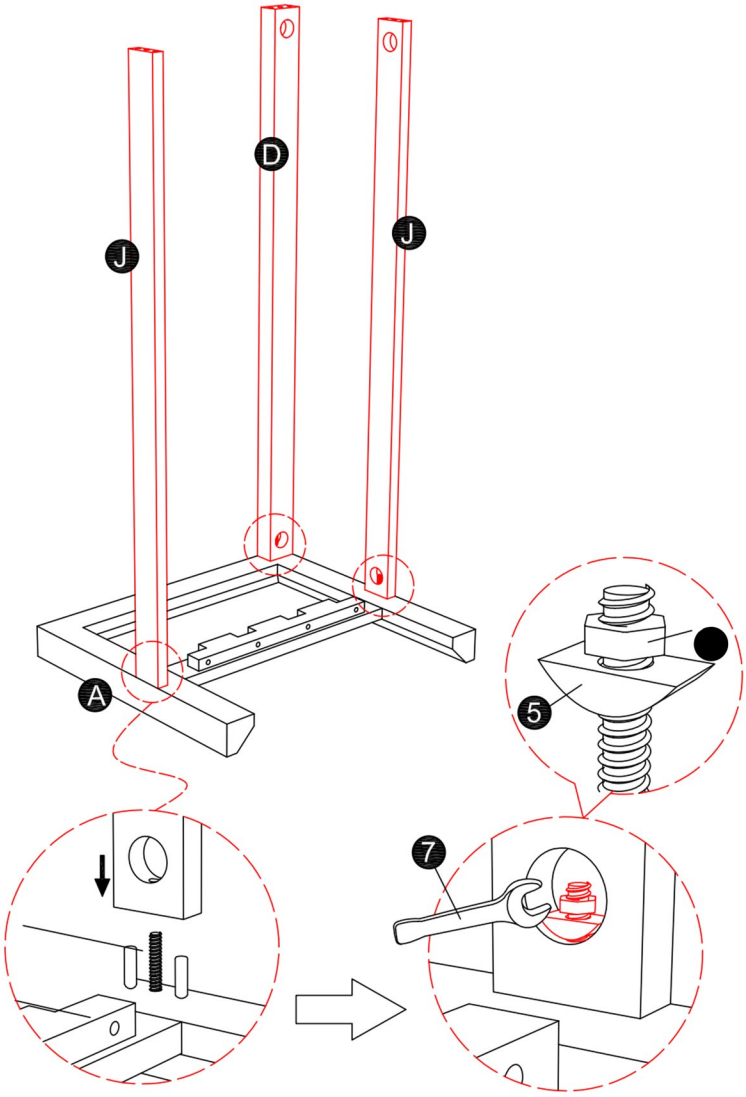

step 5 ---Insert Fasteners into Armrest

Insert the threaded bolts and wood dowels into the pre-drilled holes on one armrest, as illustrated.

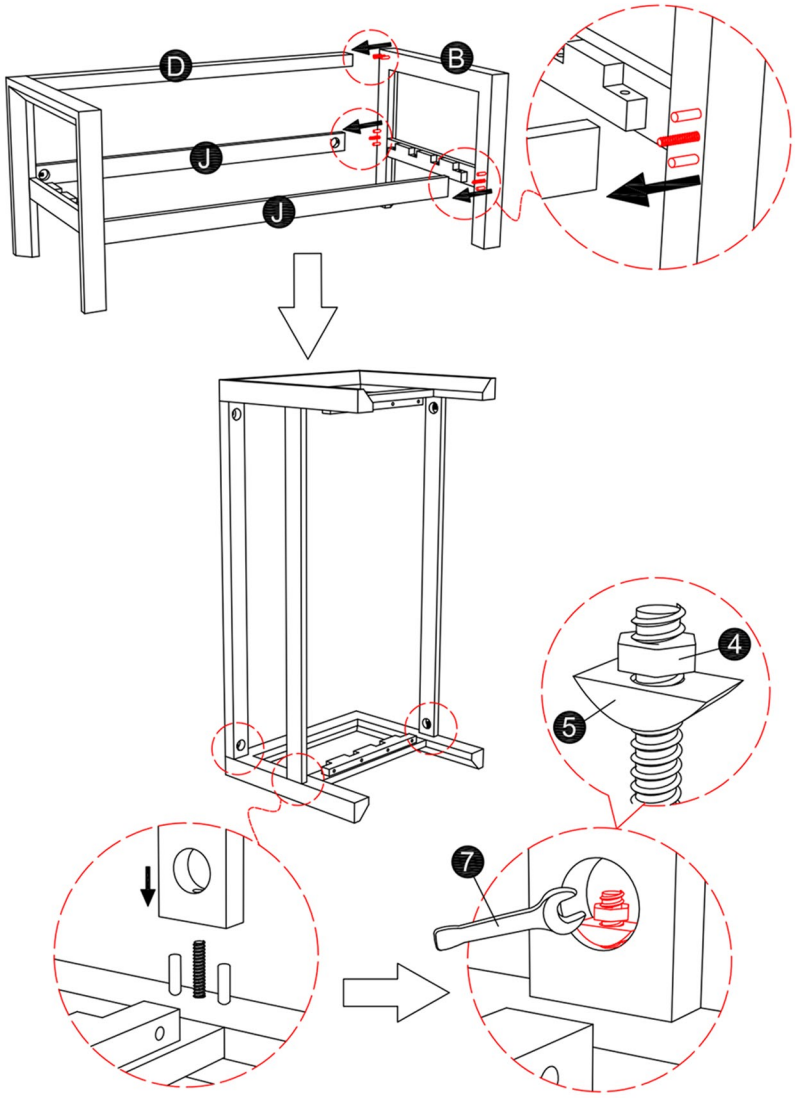

step 6 ---Attach the Frame

First, place the rear top frame and the front/back panels onto the installed bolts and dowels. Then, secure the threaded bolts by tightening the half-moon nuts and bolt nuts.

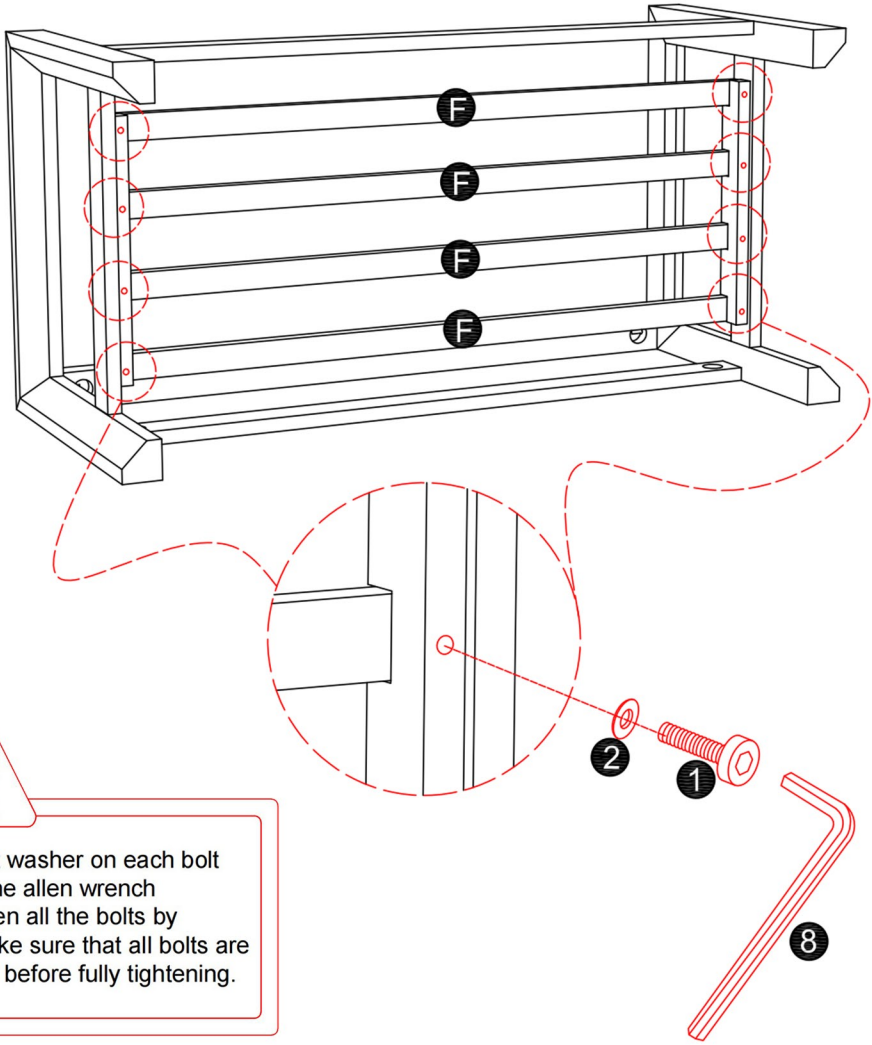

step 7---Attach the Other Armrest

Align the second armrest with the exposed bolts and dowels on the opposite side of the frame. Ensure all fasteners are correctly positioned, then secure them by tightening the half-moon nuts and bolt nuts as shown.

step 8 ---Install the Seat Frame Bars (F)

Align the Seat Frame Bars (F) with the designated groovs on both the Left and Right Arms (B&A), as shown. Place one washer (2) on each bolt (1), then use the provided allen wrench (8) to tighten all bolts.

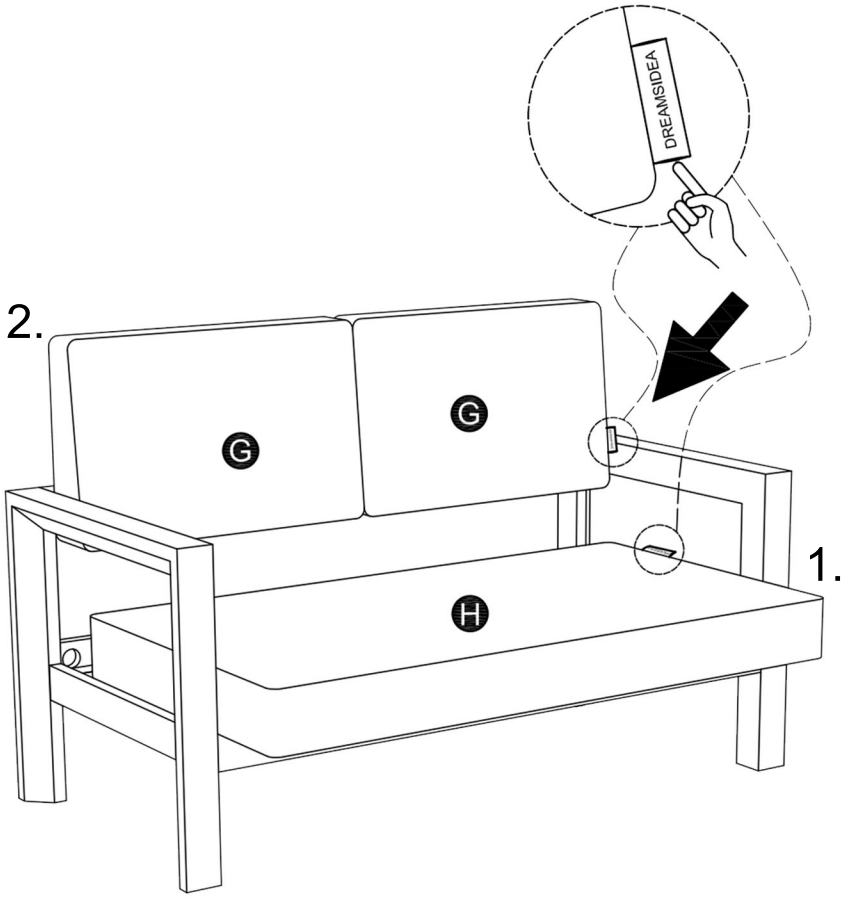

First add one flat washer on each bolt as shown, use the allen wrench provided to tighten all the bolts by 30-50% first, make sure that all bolts are aligned correctly before fully tightening.

step 9 ---Place the seat cushion (H) and back cushion (G)

Turn the Back cushion & Seat cushion with the labeled side facing up.

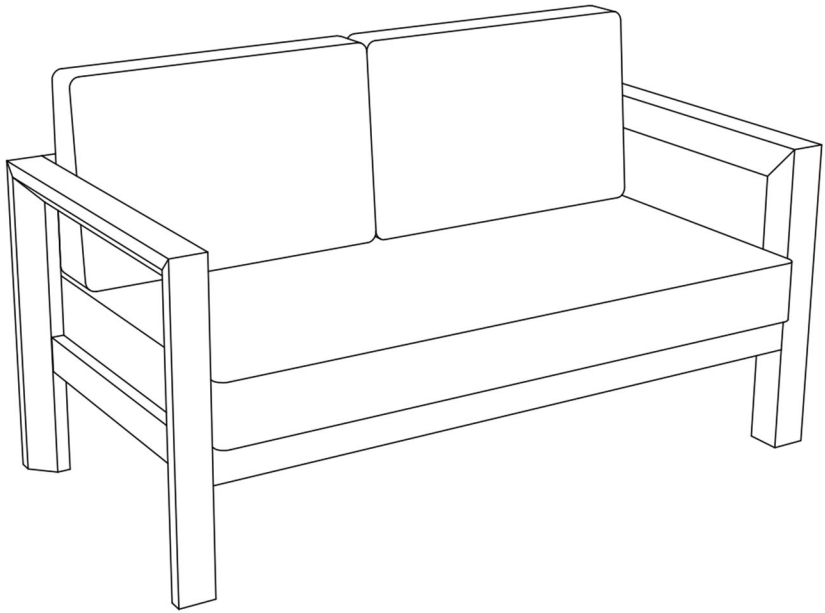

1.Place the Seat cushion(H) on it.

2.Place the Back cushion(G) on it.

step 10 ---Assemble complete

Congratulations! You have finished the assembly, thank you again for choosing our product! Please enjoy!
