

OUTDOOR TILT TV MOUNT - NO SWIVEL

Forego the need for a drill and confidently secure your TV directly onto a column or pillar. The ZZTVT8064 is a specialized outdoor tilt-only TV mount that boasts an ultra-low profile. This mount features stainless steel screws and joints, ensuring durability and stability. The mount offers firm and sturdy positioning in both landscape and portrait orientations, providing versatile viewing options.

Its weatherproof black electrostatic paint finish adds an extra layer of protection, making it suitable for outdoor use while maintaining a sleek aesthetic. Equip your upscale home or contemporary workspace with the most straightforward TV mounting solution on the market.
