

WILDWOOD CHELSEA HOUSE

W10560 • Artemis Sculpture Floor Lamp

73.5h x 9.25w x 9.25d
Composite

Blurring the line between lighting and art, the Artemis Sculpture Floor Lamp features an elongated abstract figure with a richly textured surface and deep bronze finish. Mounted on a substantial geometric base and topped with a clean white shade, its dramatic silhouette brings height, movement and gallery-inspired character to a room.
