## Product Features

Style: Farmhouse

Material: Metal

Color: Blue

Base Type: E26

Light Source Included: NO

Voltage: 120VAC

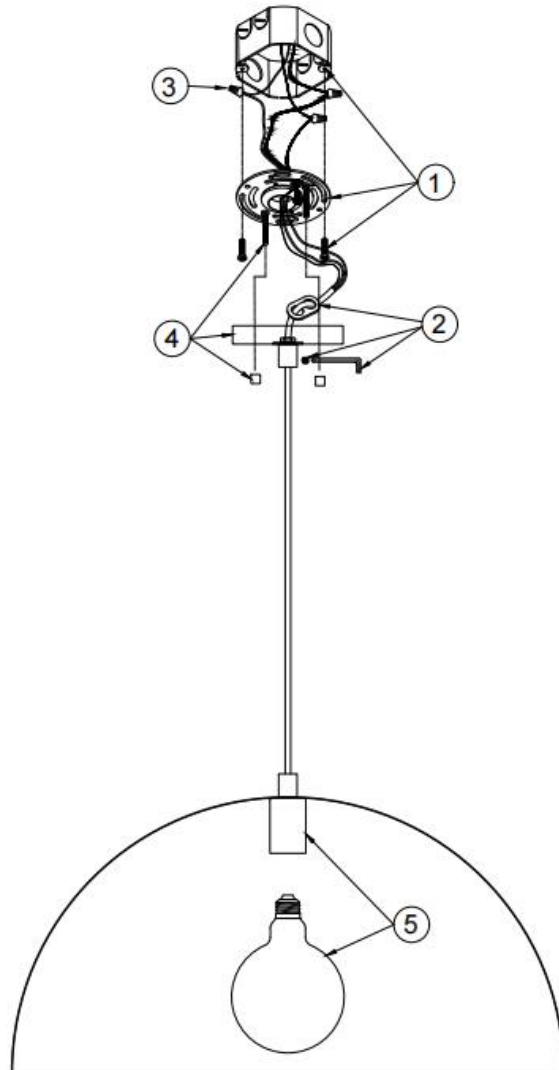

Wattage: 60W

## Package includes

1 x Pendant Light

1 x Accessories Kit

1 x User's Manual

## Installation Instructions

1. Attach the mounting plate to the electrical junction box by using supplied mounting screws.
2. Loosen the screws on the side by using a hex wrench, confirm the installation height of the light fixture, adjust the wire length, and then tighten the screws to secure the wire. Adjust the "8" clips to the bottom of the canopy.
3. Connect fixture wires with wire nuts. (Note: Connect the black wire to the black (live) wire, the white wire to the white (neutral) wire, and the ground wire to the external ground wire). Do not expose the bare wire to prevent leakage.
4. Place the canopy onto the mounting plate and tighten the cap nut to fix the canopy in place.
5. Assemble the bulbs (not included). Turn on the power to check if the bulb is working properly.

**Note:** Please use this product accordingly to its intended purpose, do not retrofit or remodeling the product. The warranty does not cover if the failure is caused by the third party product, or natural disasters.
