

Cimarron®

Toilet tank with Insuliner® tank liner, 1.28 gpf
K-4421-UR

Features

- 1.28 gpf (4.8 lpf).
- Right-hand Polished Chrome trip lever.
- Insuliner® tank liner minimizes condensation on the tank.
- Combines with the K-4309 bowl to create a complete K-3609-UR Cimarron toilet.
- Coordinates with other products in the Cimarron collection.

Codes/Standards

ASME A112.19.2/CSA B45.1
EPA WaterSense®

Technology

- Single-flush gravity uses the force of gravity and a precision-engineered tank to create a strong siphon during flushing.
- AquaPiston® canister allows water to flow into the bowl from all sides (360°), increasing the power and effectiveness of the flush.
- Flush valve's 3:2 ratio harnesses the natural force of gravity and optimizes flush performance.
- Durable canister design has 90% less exposed seal material than a 3" flapper for leak-free performance.
- Light-touch canister flush requires a lower actuation force than a flapper.

KOHLER® One-Year Limited Warranty

See website for detailed warranty information.

Installation

- Supply line sold separately.
- DryLock® system saves installation time and helps prevent water leakage.
