Durant 101-inch Sofa Durant 101-inch Sofa

The Durant group places an emphasis on lush, roomy comfort. Its family-sized 101-inch Sofa is the deepest we manufacture at 42 inches, and it features three wide seats with plush cushions and well-padded arms, plus throw pillows on the fabric version. Such generous proportions make it perfect for watching a movie, reading to the kids, or taking a luxurious nap. Durant's finishing details are equally impressive: the leather version of the sofa includes a luxurious pocket-fold detail on each arm, and the bottom edge is trimmed with a neat row of optional large nail heads.
