

Rovira Table Lamp

111808

The Rovira Table Lamp is an artful examination of the beauty of natural stone. A thick, hand carved panel of alabaster imported from Spain is displayed on top of a brushed gold iron base for a dazzling design. An off-white linen shade complements the look. The translucent nature of alabaster allows light to flow through, emitting a soft ambient glow. When lit, this design truly comes to life. As alabaster is a natural material, unique veining and colour variations are all characteristics that add to the uniqueness and beauty of each piece.
