ASSEMBLY INSTRUCTIONS

1 Thank you for purchasing in our store:

2 Recommendations Before Beginning Assembly:

- Read instructions, cover to cover.
  Have 2-4 adults on hand for assembly depending on product size.
  Do not assemble directly on flooring or carpet.
  Assemble on a clean non-marring surface. (example: packing foam)
  Save all packaging until finished.

3 Return Policy:

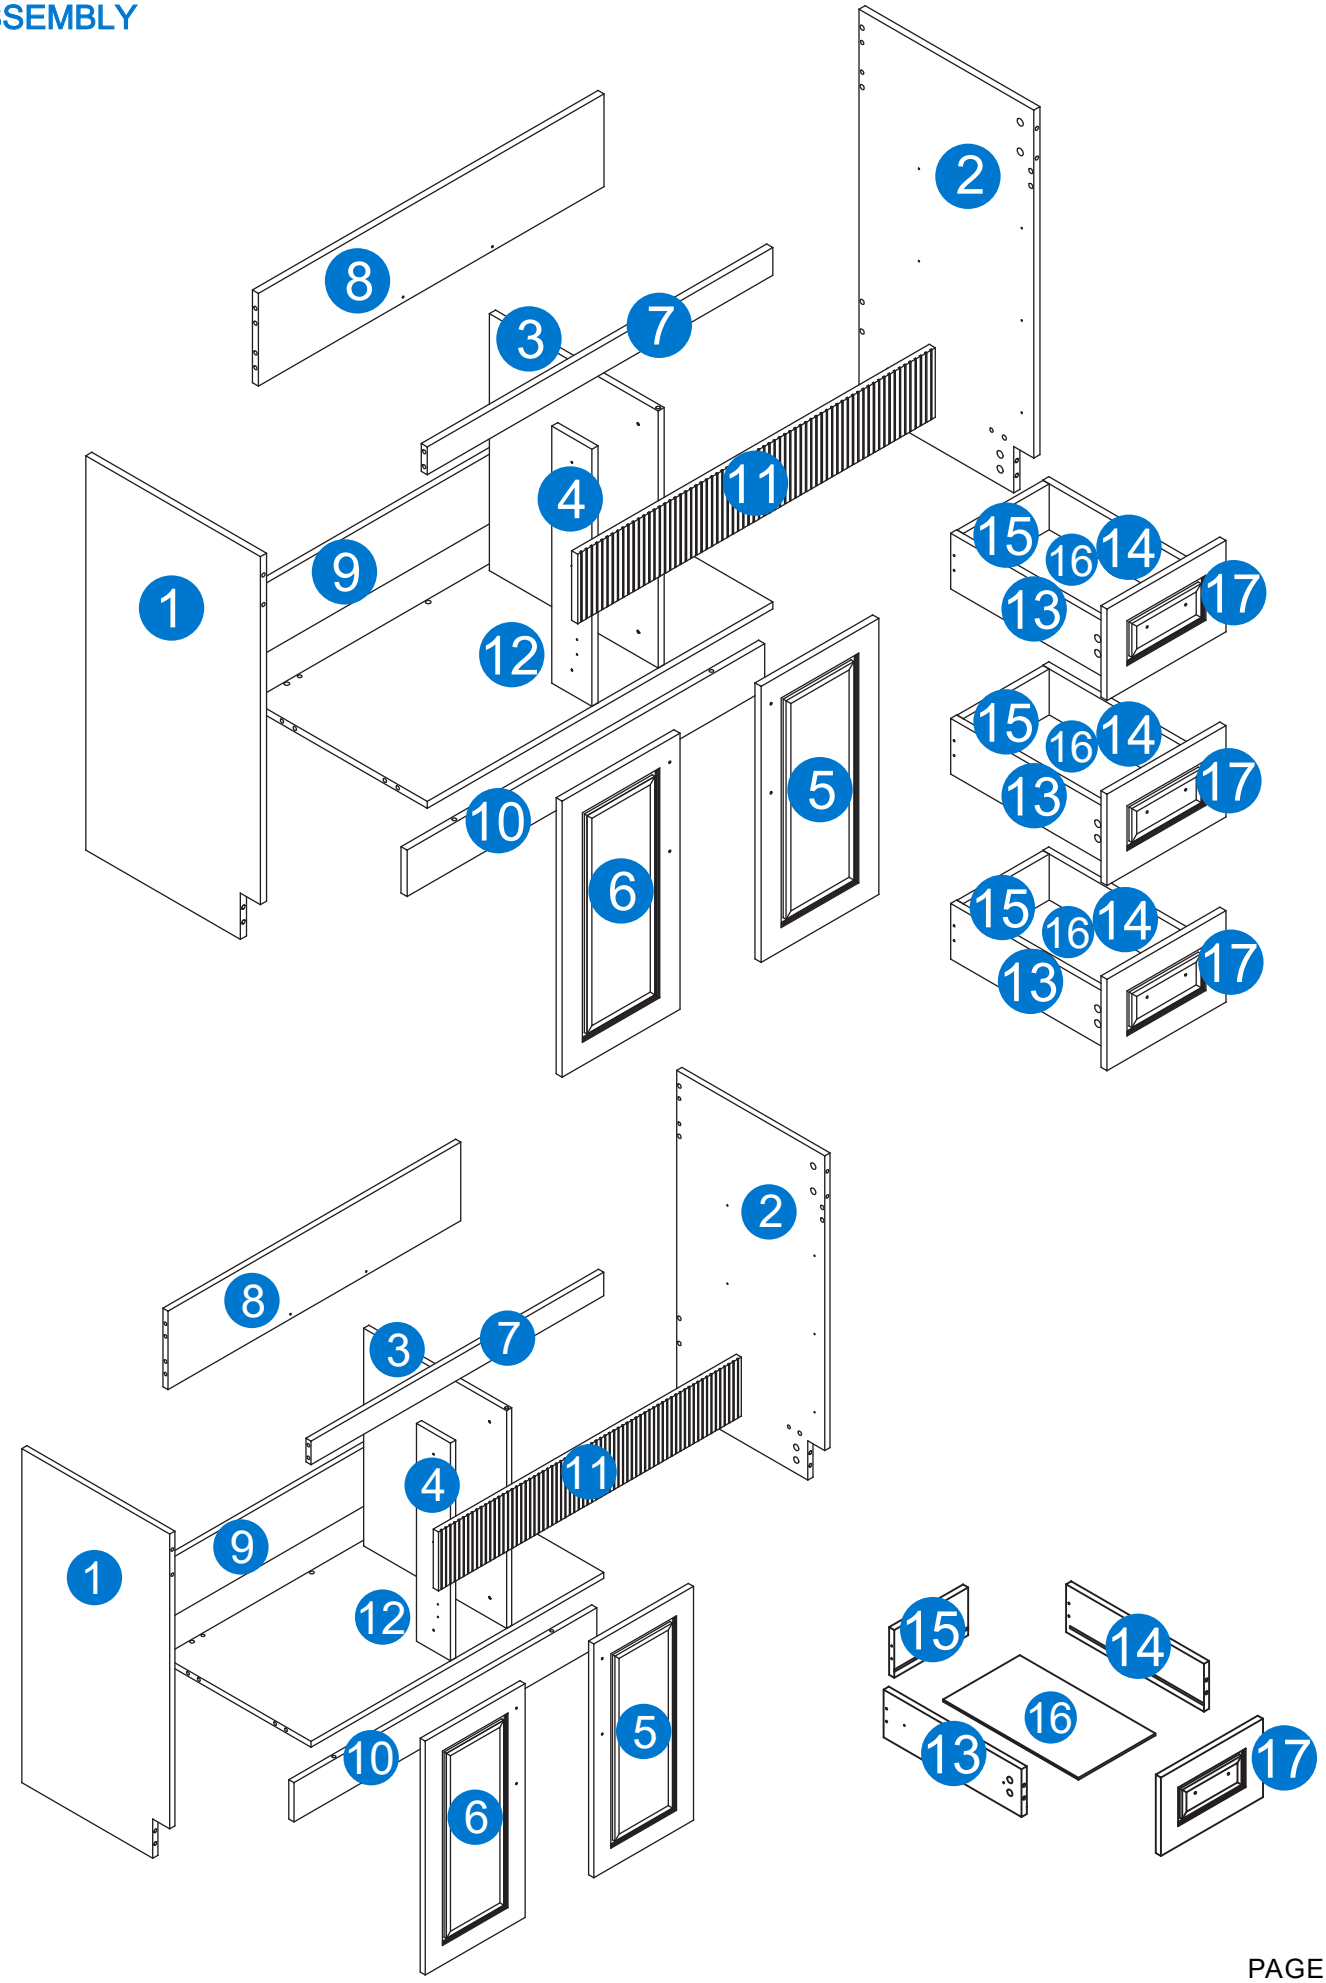

- If the board is damaged, you can tell us in time and we will send you a replacement or offer a free return. Please provide picture evidence/board number and send it to us for faster processing.
- If your product□s quality does not meet your expectations or you have found any sort of defect,please contact our customer service department and let us know the details of your order and any issues encountered, we will try our best to provide you with a solution.

4 Assembly Notice:

- As the cabinet are shipped in the form of boards, please check the condition of the item first, then refer to the instructions to ensure no parts are missing. If any pieces are found missing, please carefully look in the box first, as the hardware packaging might have torn making the hardware spill in the box.
- When setting up your product, DO NOT INSTALL THE SCREWS ALL THE WAY IN THE BEGINNING. Place each screw into their proper hole and use your hand to twist the screw halfway. Twist all the screws in halfway to ensure the holes will match up properly and the product is level on the ground. When everything seems fitted, then tighten the screws.
- When you have completed assembly, we suggest you have more than one person to assist you with lifting and placing the product.
- Caution: This product contains small components. Please ensure that they are kept away from small children.
