

Ovente CG225W Electric Grinder with Stainless Steel Blades for Coffee Beans, Spices, Nuts, Grains (White)

Key Features

- EFFICIENT** – Powered by 120V and 150-Watt motor, it grinds fast while preserving aromatic flavors from coffee beans, herbs, spices, grains, etc. It can hold up to 2.5 oz (70g).
- STYLISH & PRACTICAL**– Its stylish, ergonomic EasyGrip body and pulse button was designed for your comfort. Its transparent, easy-to-open lid with safety lock allows you to check your grind's texture anytime. Also includes a built-in cord storage.
- PRECISE**– Its grinding bowl and sharp blades are both made of high-quality stainless steel. The blades pulverize with precision from whole to coarse or fine in seconds, depending on how long you press "pulse".
- VERSATILE** – With this handy tool, you're not limited to grinding just coffee beans. You can grind tea leaves, herbs, spices, nuts, grains, and much more with just one touch!
- SATISFACTION GUARANTEED** – Comes with Ovente's 1-YEAR LIMITED WARRANTY, so snag your grinder today while supplies last, RISK-FREE!
