

# Assembly instructions

Loveseat/Sofa

Before you start, here are some helpful advices.

- Read these instructions carefully and keep for future reference. Refer to parts inventory for guidance, and ensure you have all pieces before starting.
- When assembling, place all parts on a soft, clean, and flat surface such as a carpet to prevent scratches.
- If you're having difficulty, our friendly Customer Care team is always here to help.

**This instruction booklet contains important safety information.  
Please read and keep for future reference.**

Thank you for purchasing this product. We want to make sure it is complete to your satisfaction.

Please check all packing materials carefully and ensure they are complete. Identify & count all parts & hardware to make sure they match with the illustrations herein and are all present.

If you feel the item is defective beyond resolution with part replacements, please contact customer service

1. We suggest you spend a short time reading through this leaflet and then follow the simple step by step instructions.
2. If you follow the instructions carefully the end result should be worth the effort.
3. Do not discard any of the packaging until you have checked that you have all the parts and the pack of fittings.
4. Assemble this product on a carpet.
5. To ensure an easier assembly, we strongly advise that all fittings are only finger tightened during initial assembly. Only upon completion of the assembly should all fixing points be fully tightened.
6. We recommend a periodic check on all fixing points to make sure they remain fully tightened.
7. Please assemble each piece of furniture on a flat surface.
8. The pieces of furniture are only intended for reasonable domestic use.
9. Keep the fittings out of children's reach.

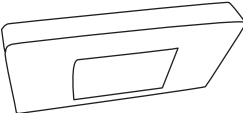

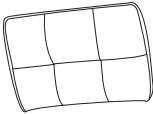

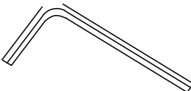

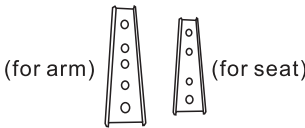

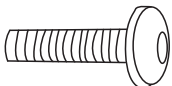

## **CAUTION**

1. Hardware may loosen over time. Periodically check that all connections are tight.
2. Wipe with a soft, dry cloth. To protect the loveseat/sofa, avoid the use of all chemicals and household cleaners.
3. This product must be kept dry and not exposed to direct sunlight.
4. Recommended to wear gloves during installation to avoid injury.

# Assembly Instruction

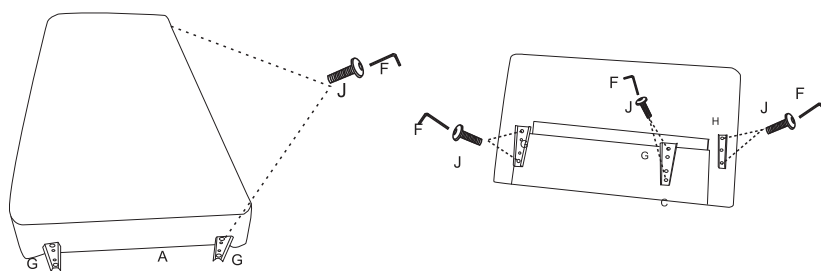

**NOTE: Do not use power tools for assembly. Power tools increase the risk of over tightening which lead to splitting or cracking the wood.**
