## Neutral Dunes 2

D2526S50508-4094

Neutral Dunes 2 is part of a series of six abstract landscape prints that explore the subtle nuances of a deserted yet inviting environment. The central theme of this intriguing series is a vast expanse of shapes that suggests a dune setting. In Neutral Dunes 2, a more pronounced tonal gradient palette creates a sharp contrast that defines the shapes and suggests the raw, untamed beauty of nature. The soothing color scheme in graphite, sky blue, dove grey, and cream invites the viewer to linger for a moment with this engaging series of prints.

A beautiful complement to the Fog Along Coast series, Neutral Dunes 2 is a graceful presentation of abstract forms in a pleasing palette of neutrals. Part of the carefully curated and exclusive ART by TA Collection.
