BUILDER LOW PROFILE - 42" CEILING FAN

The Builder fan is a mainstay in the Hunter product line, and now rooms with low ceilings can showcase one of our best-selling fans! The casual, traditional style will compliment your room without overpowering it. With 42-inch blades, a variety of finish options, and the ability to install with or without the light kit, this fan is flexible enough to fit almost any small space you choose.

- Includes three-light fitter with Cased White glass
- WhisperWind® motor delivers ultra-powerful air movement with whisper-quiet performance so you get the cooling power you want without the noise you don't
- Three 60W dimmable Candelabra Incandescent bulbs included
- Low Profile housing is specially designed to fit flush to the ceiling and is ideal for use in rooms with low ceilings
