

Assembly Instructions

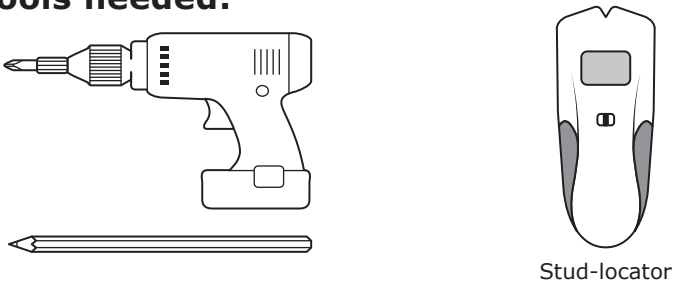

WARNING: Please do not mount this item above cribs, beds or changing tables.

Each bracket bag includes:

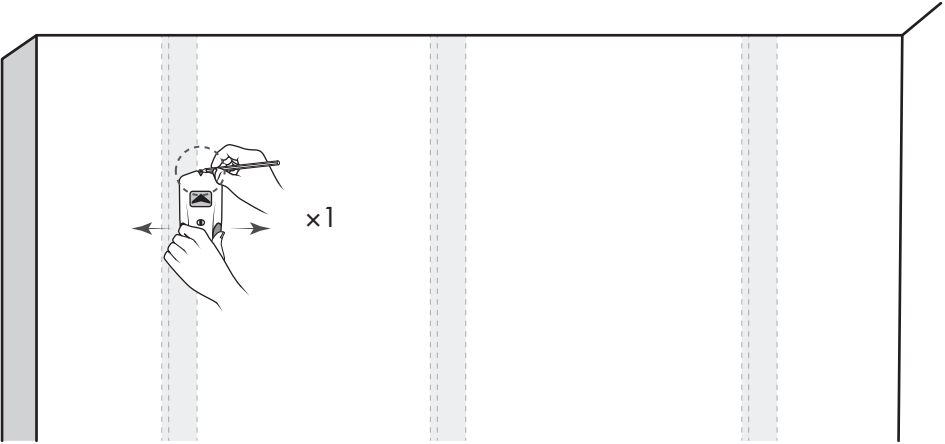

Tools needed:

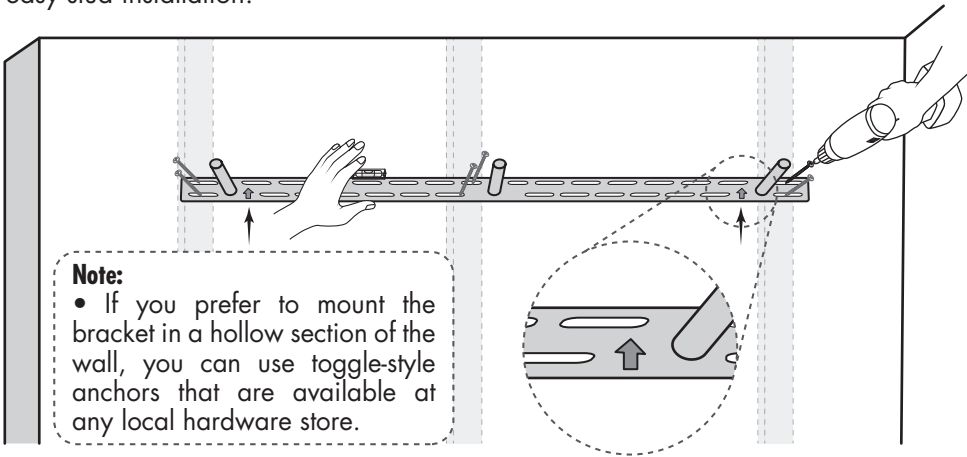

Assembly Instructions

STEP 1
Using a stud locator, find the stud and mark the screw location.

STEP 2
Place the bracket with the arrows facing up and align the hole to the screw points. Straighten the bracket with a mini level, insert the top and bottom wall mounting screws, and tighten as directed. The bracket has several holes for easy stud installation.

STEP 3
Insert the wooden board into the rods in the bracket.
