

PLAZA, OUTDOOR, WALL MOUNT

DESCRIPTION

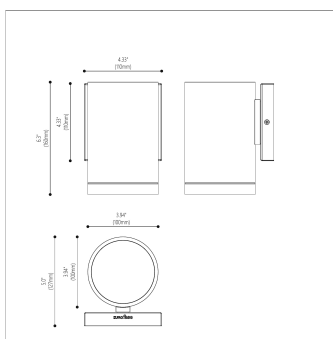

PLAZA is a bold cylindrical outdoor light built for versatility and architectural impact. Its solid, no-nonsense tubular form makes a confident statement on any façade, available as a ceiling mount or wall mount to suit a range of exterior applications. Whether casting a focused downward beam or projecting light both up and down to dramatize a wall surface, PLAZA delivers purposeful illumination with a strong, enduring presence. Available in two sizes — the compact PLAZA 60 and the larger PLAZA 100 — PLAZA balances striking form with dependable performance wherever it is placed.
