

TOOL KIT

4pc Set

GARDEN TOOL SET

How the Tool Set Works

This 4-piece garden tool set includes a hand cultivator, trowel, transplanter, and weeder to support a variety of everyday gardening tasks. Use the trowel and transplanter for digging and planting, the cultivator to loosen soil, and the weeder to remove unwanted growth at the root. Designed for versatility, this set provides the essential tools needed for planting, maintaining, and caring for your garden.

Weeder

For removing invasive weeds

Transplanter

For transplanting seeds or plants

Trowel

For digging into rocky or heavy soil

Hand Cultivator

For loosening soil and removing weeds

Cleaning & Care Guide:

Rinse tools after each use, remove excess soil, and dry thoroughly before storing to maintain their condition.
