W:84.25 x D:18.25 x H:36.25 • 40-246

Dressed to impress, this unusual sideboard features wide oak plank construction which is stabilized by the use of unique "bow ties." The geometric angularity of this large sideboard is softened by the use of rounded corners on the front panel. The cabinet rests upon a plinth base which adds to the strong and solid design of this handsome piece. Cool sleek black bar pulls contrast with the warm brown finish, and allow access to the very spacious storage within.
