JALEN TWO TIER CHANDELIER

89438

H: 15 IN, Dia: 40.00 IN

Bronze, Vintage Brass, Frosted
Glass

Bronze and brass combine to create this large-scale, modern 16-light chandelier, an updated take on the smaller Jalen Chandelier (89974). Eight horizontal rods, four on each tier, split into two to give way to contrasting vintage brass shades and frosted glass diffusers. Perfect over a large dining table or as the focal point above an island in a grand kitchen. Additional pipe available (PIPE-120). Damp-rated, although limited covered outdoor conditions may affect finish.
