

Assembly Instruction Sheet

Go to the **Care + Maintenance** selection.

Tools Required: None.

Light Source: (1) C7 Candelabra Base Bulb 15W Maximum

Estimated Assembly Time: 20-30 minutes

Preparation: Identify and inspect all parts before beginning installation. Check package content list and diagrams below to be sure all parts are present. If any parts are missing or damaged, do not attempt to assemble, install, or operate the fixture. Contact customer service for replacement parts.

⚠ Warnings and Cautions

Turn off electricity at circuit breaker or main fuse box before installation. Consult a licensed electrician if in doubt.

These instructions are provided for your safety. It is very important you read them completely before installing the fixture. We strongly recommend that a licensed, professional electrician perform the installation.

Disconnect fixture from power source before replacing bulbs. Make sure bulbs are given sufficient time to cool before removal.

⚠ Care of Tiffany Style Shade

A new tiffany lamp shade has an oil film applied to the shade that protects the tiffany shade from scratches during shipment. If the oil applied is too heavy you can remove the excess oil film with a paper towel. Gently wipe away the excess oil.

For general cleaning of tiffany shades use a gentle lemon oil-based furniture polish applied to a soft cloth and wipe gently.

If a white powder appears on the soldered joints of the tiffany shade this is a normal oxidation process. Use a small amount of lemon oil or mineral oil applied directly to oxidized areas and the soldered area will return to like new.

- A. Insert bulbs onto sockets and screw snugly into place.
B. Insert the Socket Assembly with C7 Bulb inside of the mounting hole on the Base and secure with the Spring Tabs on the Socket Assembly catching the mounting hole on the Base.

Your fixture is now assembled and ready to use. Enjoy!

FINISH: VINTAGE BRONZE

NOTE: ALL DIMENSIONS ARE ROUNDED
UP TO THE NEAREST 1/4"
