IMPORTANT ORDERING & INSTALLATION INFORMATION:

- Before ordering or installing, please consider future access to equipment.
- Comes equipped with an access panel on the drain side for installation of waste and overflow.
- Air baths require job site preparations for remote mounting the blower.
- Hydrotherapy equipment may ship loose for remote installation depending on tub model. See package content on the following page for details.
- MTI will eliminate the access panel upon request. Installation will be more difficult.
- Faucet valves cannot be installed on this tub model.
- Radiance placed on floor locations will affect placement of air jets.

• Before discarding tub crate, check for accessories that may be packaged inside.
 • All product measurements are ±1/2".
 • Specifications and configurations are subject to change without notice.
 • Measurements herein supersede all others published prior to publication date below.
