ASSEMBLY INSTRUCTIONS

566-877C Farmington Rectangular Dining Table

To Assemble Table:

1. Use locator dowels to insert bolted end of stretcher through hole in pedestal.
2. Use socket wrench (E) to attach stretcher to pedestal with (1) of each: flat washer (A), lock washer (B), and nut (C). Securely tighten hardware. Snap stretcher cap in place on outside of pedestal so that stretcher hardware is covered.
3. Repeat step 2 for other end of stretcher.
4. Place table top upside-down on flat, clean, non-marring surface.
5. Position assembled base on table top so that holes in pedestals align with holes in bridgeplate.
6. Use socket wrench (E) to attach pedestals to bridgeplate with (12) of each: flat washers (A), lock washers (B), and bolts (D).
7. Fully tighten all bolts. Return assembled table to its upright position and place in desired location.

To Attach Leaf:

1. Open table locks on underside of table, located between half-tops on each side.
2. Pull on one end of table to separate half-tops. Open table enough to insert leaf.
3. Place table leaf between half-tops so that pins on leaves align with holes on half-tops.
4. Push table on each end until fully closed.
5. Close table locks on underside of table between each leaf and half-top.
