ASSEMBLY INSTRUCTIONS

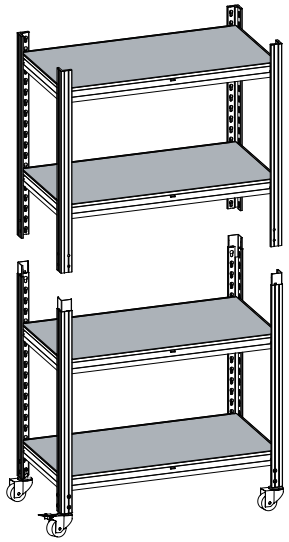

REMARK

1. The heights of steel boards is highly adjustable which you can customize according to your needs during installation.

2. It's able to be separated into 2 indenpendent shelves.

3. For longer usage lifespan, please place the product in a cool and dry enviroment.

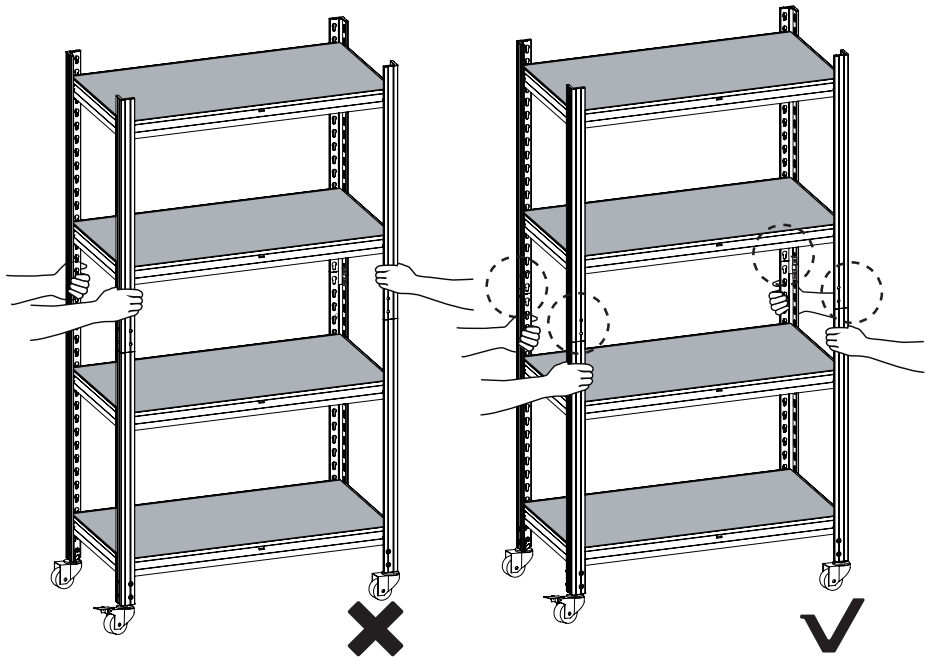

4. For safety concerns, **DO NOT** stack too high on the top shelf.

5. Please **DO NOT** place items heavier than the maximum weight described on the product page.

⚠ WARNING

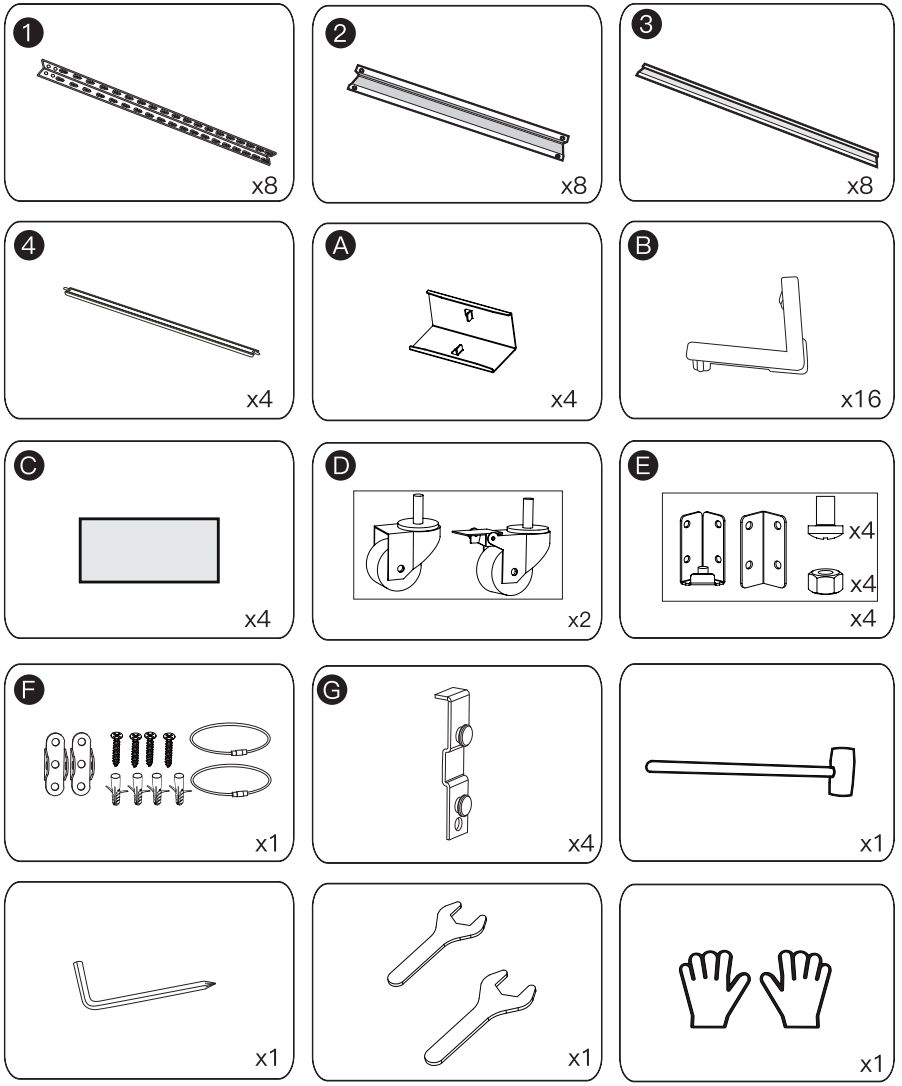

For safety concerns, please hold the lower part under the connectors when moving the shelves.

⚠ NOTICE

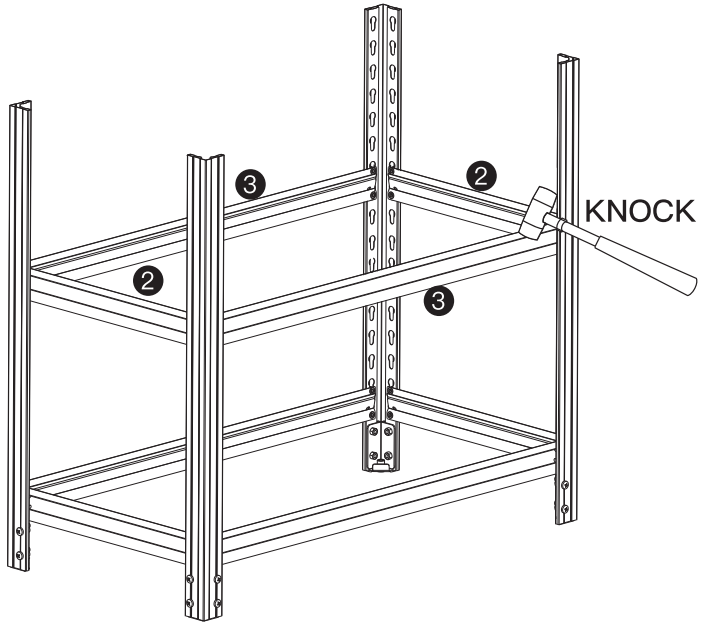

Parts A & B & D & E are packed on spaces between steel boards (part C) for their irregular shape.

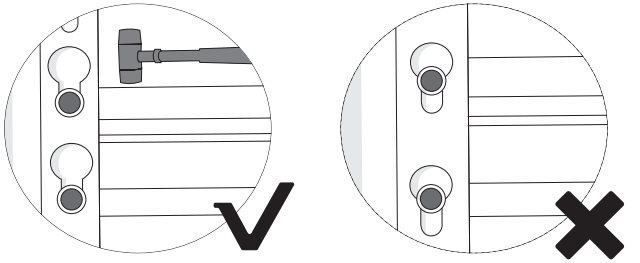

Part List

ATTENTION

For the overall stability of shelves, every cross bar (❷ & ❸) must be knocked fully tight into the end while installing.
