## Installation

1. Tear open the outer plastic bag. Do not use sharp blades or scissors.

2. Tear open the compression wrap. Cushion will come out partially compressed. (May look different than in picture)

3. Stuff cushion foam into the cushion cover while still partially compressed. Pull carefully to avoid ripping the cover fabric.

4. Pull cushion cover fabric together while zipping closed.

5. Cushion foam may need up to 24 hours to fully expand, readjust in cushion cover before and/or after if needed.

6. Adjust length of straps if needed and snap together around frame of furniture.
