## PREPARATION

\*\*This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug, if it still does not fit, contact a qualified electrician. Never use with an extension cord unless the plug can be fully inserted. Do not attempt to defeat this safety feature.

## CARE AND MAINTENANCE

Unplug Lamp before using any cleaning solutions. Dust shade with a feather duster as with an appropriate vacuum-brush attachment. Wipe with a soft, dry cloth and clean lamp base with methods appropriate to the material. Avoid the use of chemicals and household cleaners as they may damage the finish.
