

LED Vanity Mirror

LED bathroom lighted mirror is smooth, glossy and sophisticated in style. This eco-friendly, silver-backed, glass mirror is a perfect portrayal of words "a mirror doesn't lie" as it provides you with clear, crisp and impeccable reflection. Utilizing the power of 120 LEDs per meter, this backlit mirror provides for high CRI (90+), color-change & "correlated color temperature change remembrance" without sacrificing the quality of illumination. Available with an easy On/Off touch switch and a built-in defogger, this mirror is impeccable in itself to provide you with a completely all-new, energizing and refreshing experience. As the name suggests, this bathroom lighted mirror is perfect for use in bathrooms when you can use it for all your grooming needs including low or high make-up, cleaning, shaving or dressing needs. Not only that, this mirror with aesthetic looks makes your bathroom look luxurious & unique.
