

Step 1

Position the slipcover with the "back" labels. Evenly slip On the furniture; Align the seams.

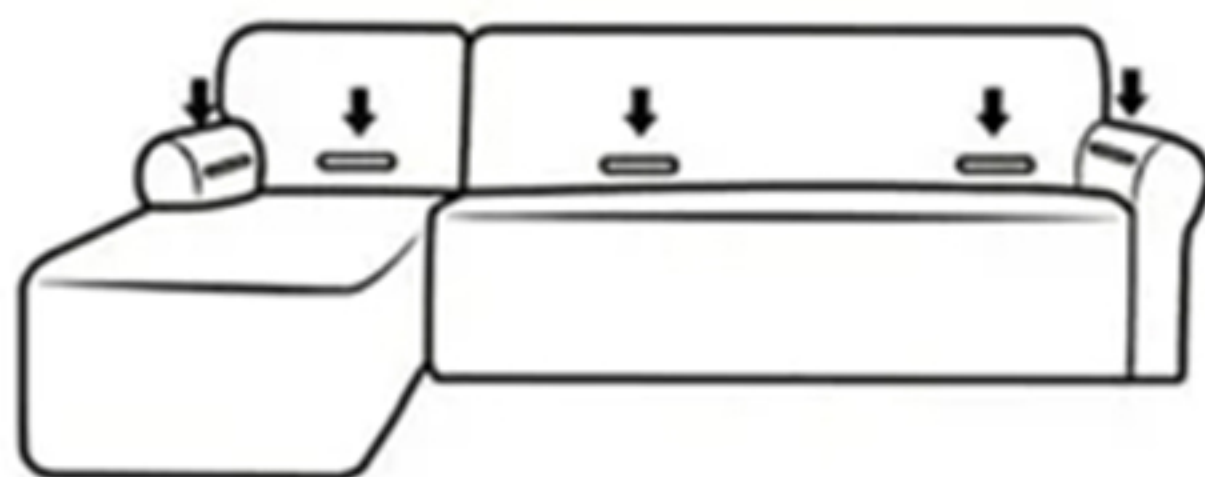

Step 2

Pull the fabric down to cover four sides of the couch.

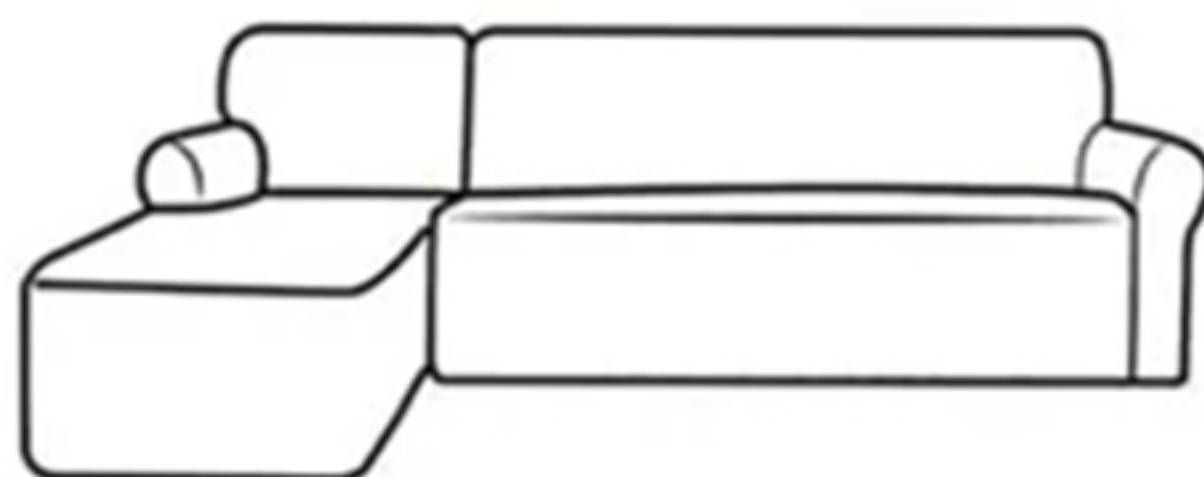

Step 3

Adjust the sofa cover according to sofa shape. Connect the two buckles at chaise bottom to keep the sofa cover stay in place.

Step 4

Tuck the excess fabric to make the sofa cover fit and smooth. Insert the foam strips to fix the shape

Step 5

Make slight adjustment to make sure it perfectly fit the furniture. Then you can enjoy it.
