1. Take the massage chair from the carton box as picture a.
2. Open the four legs of the chair and make sure the legs stand on the ground at the same level, as pictures b&c.
3. Adjust the headrest cradle to the direction which will make the user feel comfortable, as picture d.
4. Adjust the position of the chestrest and then fix the position by the black knob behind the chestrest, steps as pictures as e&f.
5. Adjust the seat pad to the comfortable position by the seat holder as pictures g& h.
6. Adjust the handrest to the comfortable position by the handrest holder as pictures i & j.
7. Now the portable massage chair is ready for your use.
