Collection Features: Meticulously hand-crafted by artisans with decades of upholstered furniture engineering experience, Bradington-Young is the ultimate choice for luxury stationary seating. Featuring genuine eight-way hand tied custom coil construction – the industry benchmark for comfort, lasting quality and a consistent ride across the entire seating surface – we take pride in creating the most comfortable, stylish and highest quality leather seating available. From sophisticated traditional styles to luxe modern with a variety of designs in between, make a statement in your home with the ultimate blend of luxury, style and comfort with Bradington-Young. Our uniquely styled stationary frames are available in more than 135 premium leathers, over 200 fabrics and an assortment of nail head and wood finish options to further customize your look.

Disclaimer: Please note that the printed dimensions are approximate and could vary up to 2 inches since each style is handmade.

Status: Active

Finish: Standard Mahogany finish. Other finishes available at no additional cost.

Padding: For quality tailoring and durability, the outsides are padded with

strong bonded fibers.

Material: Leather

Frame Construction: The frame is engineered from the finest multi-ply, 7/8 inch laminated hardwood components that are precision machined for an exact fit. Mortise and Tenon joints are reinforced with cross-banding to create frames with superior dimensional stability.

Seat Back: Loose back cushion firmly secured with Velcro. Filled with 100% virgin polyester fibers enclosed in a special ticking designed to provide pillow-soft comfort.

Seat: Premier Down-These cushions are constructed from a two-tier foam foundation. The bottom layer is firm for lasting support and the top layer is soft for sink-in comfort. The cushions are then wrapped in a down proof ticking filled with a generous blend of down, feathers and fibers. This cushion is designed to relax and puddle for a luxurious, lived-in look that complements our more casually styled offerings.

Seating Construction: This style employs double-cone coil springs that are eight-way hand tied and then secured to polypropylene webbing that is reinforced with steel banded grids for additional support.
