

Hilbert Side Table

110029

The Hilbert End Table is grounded in a functional modern design. Crafted from grey acacia wood, this console table features a sharp linear silhouette. A brass iron trim on the front and the back of the piece provides added dimension and intrigue to the overall look. As a wood is an organic, porous material, these pieces will contain natural variations of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece. Made in India. With refined craftsmanship, this design was brought to life by skilled local artisans. Due to the nature of handcraftsmanship, unique imperfections such as fissures, markings and variations in colour and shape are welcomed and appreciated characteristics for a truly one-of-a-kind piece.
