## Notes

1. Please note that decorations such as flowers and greenery are not included in this product.
2. When installing, the screws should not be locked tight so that you can subsequently adjust.
3. Iron is tough and not easy to damage, if the product is deformed and unstable after installation, you can slightly press to adjust.
4. Please allow the slight color difference caused by the shooting light and 1-3cm error due to manual measurement, and make sure you do not mind before you order.
