Outdoor Side Table

For Pools & Patios

COAST
MODERN™

Thank you for purchasing our Outdoor Side Table! Whether paired with our Modern Lounge Chairs or your own outdoor setup, it's the perfect spot for your drink, book, or sunglasses. Crafted from weatherproof materials with a built-in weight for stability, it's sure to provide outdoor enjoyment on your patio or baja shelf, season after season.

Using on a Patio

Simply place the Outdoor Side Table in your desired location — no setup required.

Using on a Baja Shelf

The Outdoor Side Table is designed for in-pool use on baja shelves up to 15" deep. Set the table in your desired location, then tilt it on its side to allow water to fill the built-in ballast. This added weight prevents floating and keeps the table stable. Once filled, tilt the table upright.

Removing from a Baja Shelf

To remove, tilt the table on its side to drain most of the water. Lift it out of the pool and empty any remaining water before moving or storing.

Care Instructions

Wipe down, hose down, or power wash to clean.

WARNING
