

WILDWOOD CHELSEA HOUSE

295847 • Caballo Framed Intaglios

18.5h x 12.5w x 1.5d

Wood

Black/Matte White

Two plaster intaglios are set inside a modern onyx-dyed wood frame to create a wall hanging that references the rich history of cameo art. With equestrian and bull imagery native to Texas Ranch-life, the Caballo Framed Intaglios combine raw nature and refined living. Style alone or alongside additional artwork for a gallery-like display that is certain to start conversations.
